# From the Annual Staff

We, the Whynot Academy Annual Staff, are indeed proud to present this edition of the 1971-72 Rebel Yell.

We have worked hard to make this yearbook hold pleasant memories of our school year at Whynot Academy.

We would like to thank Mrs. Mackey for her concern and help as the yearbook sponsor.

We worked this year with one goal in mind - "to turn out the best Rebel Yell ever published."

1971-72

Annual Staff

As editor of the 1971-72 Rebel Yell Yearbook I would like to express my sincere appreciation to the staff members who have worked so hard to make this yearbook possible. I would also like to thank Mr. and Mrs. J. M. Booker for the use of their beautiful home in making our feature pictures a reality. I am especially grateful to our fine sponsor, Mrs. Mackey, and a wonderful helper, Mr. Steve LaBranche.

I hope each and every one of you will look back to the pages of this yearbook and find many happy memories at "Good Ole" Whynot Academy.

Thank you,

*Dianne McDaniel*

# Dedication

We recognize the many contributions you have made to our school and to our general welfare. Through this year of push and pull you have disciplined us and made us ready for the game on the field and on the court as well as the "Game of Life." It is therefore with great pride that we, the 1971-72 Rebel Yell Staff, dedicate this issue to you -

**Miss Shirley  
Nell Goodman**

# FACULTY

Dear Students and Friends:

Few people ever stop to think who our students really are. Too often when we see our students on school buses, in our classrooms, or on the basketball court, we tend to think of them as mere children whether they are in the first grade or the twelfth. These people are not just children but the future leaders of our country. They may not ever be the President of our United States, but how could the country survive without carpenters or nurses.

Our one desire at Whynot Academy is to help the young leader today be a better leader tomorrow.

Your Headmaster,

*Jerry E. Wilkerson*

Shall I compare thee to a summer's day?  
Thou art more lovely and more temperate:  
Rough winds do shake the darling buds of May,  
And summer's lease hath all too short a date:  
Sometime too hot the eye of heaven shines,  
And often is his gold complexion dimmed;  
And every fair from fair sometimes declines,
